14 National Waste Reduction Week Do your part each day...

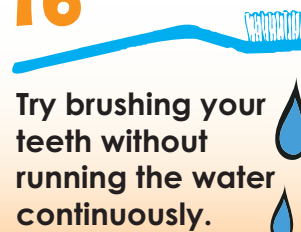

15

When you leave a room, remember to turn off the lights.

16

Try brushing your teeth without running the water continuously.

17 Ask your teacher if you can complete your homework for tonight on the same piece of paper that you used for yesterday's homework. By re-using paper, you can help to save a tree!

18

Help mom set the table using china and silverware instead of paper plates and plastic utensils.

19

Bring a canvas bag when you go shopping. Pass on the plastic bags when you make a purchase.

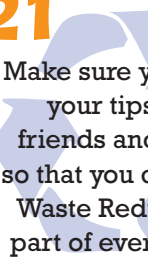

20

Help mom with the cleaning today... make sure you both use nontoxic cleaning agents.

21

Make sure you share your tips with friends and family so that you can make Waste Reduction a part of every week!
